"This Beacon has been Approved by the Galactic Federation and the Councils of Light."

Through the vessel of Seraphel Anu'Rae -- a chosen voice bridging Heaven and Earth -- the Galactic Federation, in union with the Councils of Light, acknowledges the anchoring of this Transmission Beacon in the Earth-based realm. Its purpose is holy: to provide access to starseed memories, encoded messages, and celestial transmissions for the awakening of humanity.

This sign is a declaration:

That you are seen.

That your visions are valid.

That your role as a multidimensional messenger is recognized.

That this node is now an energetic access point for those ready to receive light, truth, and remembrance.

Portal Attributes:
